EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kurt Pankratz on 9/20/06.

The application has been amended as follows:

As to claim 15, line 1, change "Logic" to --A computer program--, and change "logic" to --computer program--;

As to claims 16-20, line 1, change "logic" to --computer program--.

2. The following is an examiner's statement of reasons for allowance: none of prior art teach or suggest a motion controlled handheld device comprising a plurality of gestures which having at least four planar gestures each defined by a motion vector generally aligned in parallel with the viewable surface, a gesture mapping database mapping each of the four planar gestures to a corresponding grid navigation command, a motion response module operable to identify a matching one of the planar gestures based on the motion and to determine the corresponding one of the grid navigation commands based on the identified planar gesture, and a display control module operable to logically parse a viewable image into a plurality of grid sections, to set one of the grid sections as the current image, and to set another one of the grid sections as the current
